Our Premium Clients

Health Care Services

Livestock plays a prominent role in Indian Economy. Livestock provides livelihood to two-thirds (20.5 million) of rural community. In India, Livestock sector contributes **4.11% GDP and 25.6% of Agriculture GDP**. India is rated as world's highest livestock owner at about **535.78 million populations according to 20th censuses**. Livestock provides income, employment and social security to the farmers.

With the principle of “**STRENGTHENING LIVESTOCK HEALTH, STRENGTHENS LIVELIHOODS**”, we are giving the right veterinary care, at the right time, to the right animal patient, for the right reason.

Skill Development Activities

Kairos has become training partner with National / State level training instituting such as National Skill Development Corporation (NSDC), MEPMA(Mission for Elimination of Poverty in Municipal Area), TASK (Telangana Academy for Skill & Knowledge) and conducted various skill development courses such as Emergency Medical Technicians, Call Centre Executives, Security Training, Housekeeping, Pre-selection Training etc. on completion of prescribed trainings, all the trainees were given job placements. Around 1000+ personnel have been trained across various Skills.

The Specialized training at our academy provides necessary skills along with suitable personality traits to our personnel, which differentiates our quality of services from others.
